

A Scottish Charitable Incorporated Organisation

EQUALITY, DIVERSITY AND INCLUSION POLICY

BACKGROUND

Strathcare is committed to equality, inclusion and diversity of opportunity both as a service provider and as a voluntary charity. Strathcare values the diversity of the communities in the Crieff & Strathearn area and works towards providing services that are inclusive and accessible to all. Strathcare recognises that social inclusion and promoting equality of opportunity and good relations between different groups can only be achieved by incorporating equalities into the planning and implementation processes of the services that it offers.

Strathcare also recognises the importance of respect for its volunteers and passengers alike, striving to eliminate any form of discrimination, victimisation or harassment. The organisation understands the negative impact that discrimination, past or present, can have on individuals.

AIM OF POLICY

The aim of this Policy is to ensure that all Strathcare's volunteers and passengers are treated equally with respect and without any discrimination, victimisation or harassment. The Policy aims to ensure that Strathcare will comply with the Equality Act 2010 and will not unlawfully discriminate because of the protected characteristics of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex, or sexual orientation.

By implementing this Policy, Strathcare seeks to demonstrate its commitment to equality, diversity and inclusion in all its activities.
